WHEN STARTING A BUSINESS
IN THE NETHERLANDS

3P INTERNATIONAL HUMAN RESOURCES SUPPORT

WHEN DOING BUSINESS IN
THE NETHERLANDS

3P INTERNATIONAL

POSTUMA PERSONNEL PLANNING

ARE YOU DOING BUSINESS IN THE NETHERLANDS OR PLANNING TO DO SO?

Are you doing business in the Netherlands or planning to do so? No doubt you have a no failure business plan. But is the Dutch social security system a puzzle for you? We are your solution!

3P International lets YOU focus on the business side and takes care of all legal, administrative and Human Resources aspects that come with it. 3P International will accompany you to the Alien Police to get your residence permit and county registration, hires international staff and lets you in on the secrets of the Dutch culture.

Our total Human Resources (HR) support covers various sectors and disciplines providing advice up to performing operational tasks.

Working together with 3P International you will save time and money. Moreover, innovative and effective people strategies benefit the most important company asset: your staff!!

We support in-house and outsourced services.

SERVICES

3P International is your Human Resources support in:

- Liaison between client and Dutch government
- Assimilation of international staff e.g. obtaining visa/permits and registration with Dutch Chamber of Commerce
- Information on the Dutch social security system
- Recruitment of international staff
- Language training and education
- Health and safety
- Tailor-made and general Human Resources solutions
- Employee administration
- Temporary replacement of your HR manager
- Human Resources Start-up package

WHY CHOOSE 3P INTERNATIONAL?

- No intermediary costs
- Support 7 days a week, also outside office hours
- Dutch, English and French speaking

- Associated with organisations in mortgage investment & financial brokers, training professionals and domestic services.

3P International has extensive experience in Human Resources. Associates can offer more specialised services. See our website for further information:
